vs.

BLACK & DECKER (PR) LLC

María SANTIAGO DE VIDAL

=====

PRETRIAL CONFERENCE held in chambers. The Pretrial Order hasn't been filed.
The defendant has its part ready.

The plaintiffs haven't answered the motion for summary judgment. They have been in the process of obtaining several documents re: the closing of a department, in order to respond. They have obtained the needed evidence and request that the discovery be re-opened. The defendants strenuously object. The defendants are granted 10 days to respond to the plaintiffs' written motion to re-open the discovery (dkt. #26). Another conference will be set once these motions are ruled upon.
